### **User Contributions**

You fully are responsible for all Content, including but not limited to registration data, photos, videos, comments, text, documents and other information ("User Submissions") that you upload, enter or post using the Services. You agree that you will not upload any User Submission that infringes or violates any rights of any party or that compromises the privacy of any person or patient. In particular, you are specifically prohibited from posting or transmitting to or from the Services (i) any unlawful, threatening, libelous, defamatory, obscene, pornographic, or other material or content that would violate rights of publicity and/or privacy or that would violate any law; (ii) any commercial material or content (including, but not limited to, solicitation of funds, advertising, or marketing of any good or services); and (iii) any material or content that infringes, misappropriates or violates any copyright, trademark, patent right or other proprietary right of any third party. You shall be solely liable for any damages resulting from any violation of the foregoing restrictions, or any other harm resulting from your posting of content to the Services.

By providing any User Submission you agree that it is non-confidential for all purposes and is nonproprietary. You hereby grant APSCA an irrevocable, worldwide, royalty-free, perpetual, transferrable, and fully sublicensable right and license to (a) use, reproduce, modify, adapt, translate, distribute, publish, create derivative works from, and publicly display and perform any and all such User Submissions throughout the world in any media, now known or hereafter devised and (b) use the name that you submit in connection with such User Submission. You acknowledge that APSCA may exercise its rights (e.g., use, publish, delete) to any content you submit without notice to you. APSCA has no obligation to post your comments and reserves the right in APSCA's absolute discretion to determine which comments are published as part of the Services. You acknowledge that APSCA may choose to provide

You further grant APSCA the right to pursue at law any person or entity that violates your or APSCA's rights in the Content by a breach of these Terms. If you do not agree to these Terms, please do not provide us with any User Submissions.

The contributions of third parties do not necessarily represent the views or opinions of APSCA. APSCA cannot preview User Submissions before they appear.
